Speaker session on "GENERATIVE AI"

Letter of Appreciation

Mr. Ritwick Johari

We extend our sincere gratitude to you for graciously taking time out of your busy schedule to share your invaluable knowledge and expertise during the seminar on

"Generative AI : Behind the prompts."

Your insightful session on "Generative AI: Behind the Prompts" provided a comprehensive understanding of generative AI, its underlying technology, and its real-world applications. The practical insights and perspectives you shared greatly enriched the academic experience of both students and faculty, offering a deeper understanding of the potential of artificial intelligence and its evolving role in shaping the future.

Once again, we sincerely thank you for your esteemed presence and for making the seminar a truly impactful and memorable learning experience.
